

Priorities

The Business Panel Leadership Group has identified four priority areas for the Falkirk economy on which it and Falkirk Council will work over the next few years:

KEY AREA	CHALLENGE	OUR ACTION
INFRASTRUCTURE Transport and Infrastructure	Improved transport connections: <ul style="list-style-type: none"> • Avon Gorge • Grangemouth Port • Motorway junctions 	Powerful lobby of key influencers
YOUNG PEOPLE Engaging with Young People	Equipping young people with the right attitudes and skills to effectively contribute to the community	More businesses working effectively with young people, schools, college and parents
ENVIRONMENT Creating an environment where businesses can thrive	Single point of contact for businesses	Implement new business support structure for the Falkirk area
LOCATION Business Property and Locations	Business property availability	Put process in place to ensure that property is available for businesses of all sizes and sectors
